Craig,

When I referred Paul to you, he was pleasantly surprised to find how affordable the options were, and how much coverage he could afford. In a world where we are all used to just getting a notice in the mail, you took the time to make a phone call to let him know that his premiums were going down with his renewal.

It is with great confidence that I refer you wherever I can. Thank you for the care you give to every customer.

Sincerely,

Robert Mitchell, Owner
