Re: Endorsement Letter for Kevin Ames – Ames Photographic Illustration

Dear Kevin,

Thank you again for the wonderful assistance you provided me!

To recap, you did an executive portrait shoot at your studio to create some professional head shots for both my business and my improv comedy performances.

We were put together by a member of my PowerCore team who had given you a glowing reference -- I can see why. You made the shoot a wonderful, fun experience, and put me at ease right away.

You did a great job of capturing the "inner me" and also gave great advice on how to have my friends help me select the best images to use.

I also need to mention how much I appreciate that you went out of your way to quickly turn around the post-shooting work, and provided me with a picture and CD's in less than 24 hours!

Needless to say, I'm thrilled with the results, and have told everyone who sees my picture about you (I also use the picture on Facebook).

I am happy to highly recommend you to my colleagues who want high quality professional photography.

Thanks again for everything you did and I look forward to working with you again in the future.

Best regards,
