Adam,

Thank you for spending the time taking Katie to the range for her to try a variety of handguns. You brought several items for her to try, were very patient, and she was impressed with the entire evening. Your knowledge of firearms is an asset to anyone looking to make a purchase, but especially for someone new to the process.

Thank you again for taking the time and care. I am very confident in referring you to any of my friends, family, or customers.

Sincerely,

Robert Mitchell, Owner
