Re: Kay McInroe
Berkshire Hathaway, Georgia Properties

To whom it may concern,

I have personally been acquainted with Kay McInroe for 6-years. Over that time, I have come to know Kay on both a personal and professional level.

Kay has been my client for 5-years and I have gotten to know how Kay thinks about her clients. Kay believes her client's needs come before her own and while that may be a result of her upbringing in India, her clients quickly come to understand that Kay truly cares about them. It's not in Kay's DNA to say no to a client - her answer is always, "Yes, I can help you!"

Kay works tirelessly to help her clients buy or sell their homes. She has nearly 20-years of real estate sales experience in Fayette County and has represented her clients in the sale of nearly 500-homes. That experience gives Kay a competitive advantage over other agents but more importantly, it gives her clients the peace of mind to know that she can handle and overcome anything that is thrown at her. She is unflappable in the face of the many misadventures that can derail the sale of a home. Kay has a knack for keeping deals on track.

Kay has a peerless reputation throughout the Fayette County community and based on how well I know her, the bottom line is that Kay is the most trustworthy person I know. She is the one person I go to with any real estate question or need I have.

I whole-heartedly recommend Kay McInroe to anyone considering buying, selling or investing in a home. With Kay McInroe, you will always get her best because in Kay's eyes, you deserve her best!

Sincerely,

Jeff Bartholomew
