Rich, thank you for what you do for our clients, friends, and family.

Rich at Southern Roofing Co. Is absolutely incredible to work with. Being an insurance agent, it is important we get our referral partners right. We need people with standards in place that we can trust to take care of our clients. Because those clients have placed their trust in our hands. Rich has those standards and uses his work to prove it. He is prompt, courteous, and most importantly gets the job done when it comes to your roof. He knows his stuff when it comes to roofs, gutters, and the best way to help clients with both.

Rich is an integrable roofer. Just ask Mrs. Suzanne Woolum. I referred her to Rich and he came out to her house THAT day. Some contractors don't want to make the time. Rich went to her home and had a new roof on her house in less than a month. He even assisted with gutters. It is easy for me to refer Rich to my friends and family.
