To Anyone who has the opportunity to work with Daniel Chadwick:

I have to admit that insurance is one of my least favorite topics and things to deal with! Daniel has given me a whole new perspective!

He has taken my home owners, auto, and umbrellas and updated them and even saved me money with better coverage! In addition he was able to walk us through Condo insurance and get a great policy in place for my daughter.

The process was seamless and his follow up was amazing,

Many of my customers have been referred to Daniel by me and they all say the same thing..."He is fantastic." That is the highlight of any referral when they are happy.

Please call Daniel for all your insurance needs!
