Bryan Byrd  
Assistant Branch Manager  
SouthState Bank  
11760 Haynes Bridge Road, Suite C  
Alpharetta, GA 30005

Dear Bryan,

I thank you for putting my mind at ease regarding my Banking selection. Recently launching my business, I needed someone I could trust regarding my business earnings. I was not happy with my current arrangements. When we met to discuss SouthState Bank you immediately put me at ease with your professional manner. I was very impressed with your "product" knowledge.

During the process, I never felt rushed. You spent the time necessary, reviewing my options, including a business credit card. It was great to know all the choices available, but you narrowed it down to the choices that would benefit me. That day, I was on a fact-finding mission, but your "casual" yet pro-active approach, had me walking out happy, relieved, and confident that I had made the right decision to work with you. I had a few follow-up questions, and once again you were there for me. I appreciated you taking the driver seat and connecting the dots, so I did not have to take time away from my day.

If banking is your need, then Bryan is the guy! He is a joy to work with, very knowledgeable about banking, and will set you up for success. I value my worry-free relationship, confident, if I need additional banking services, Bryan will steer me in the right direction, pain-free.

Sincerely,

A handwritten signature in cursive script that reads 'Sarah-Anne Wildgoose'.
