To Whom it may concern:

Carl Querna is simply the best! Carl is co-owner of Early Bird Pest Control. During the time that I've known Carl he has proven to be an invaluable asset to my company. Carl is very knowledgeable and always takes the time to explain the service that he will be performing.

As a property manager, my clients rely on me to make sure that their assets are maintained properly. Partnerships with companies such as Carl's add value to the service I provide.

In addition to all of the above Carl and Early Bird have the best prices in town! You would be hard pressed to find the quality, customer service, professionalism and integrity delivered by Carl and Early Bird anywhere around town!

Sincerely,

Venis L. Sims
