

Service with knowledge and experience

March 1, 2022

Dear Jennifer,

Thank you so much for everything you have done for Chris and Jude over the last three years. When Chris came to you he was not even able to speak to his child, yet alone see him. You jumped right into the case and proceeded as though you were fighting for your own personal child.

You were able to break down complex legal language in a way Chris was able to understand. Working around his schedule to set up late night calls when he got home after 10 pm. Your flexibility and compassion helped keep this very long and drawn out case moving. You sacrificed sleep to stay up into the late hours of the night working on court documents, as well as hours of your day in zoom hearings that ultimately went nowhere.

Yet, you did not waste a second of those meetings. You came prepared to fight and fight you did!

Your professional expertise helped finalize a custody agreement after almost a 3 years long court battle. Chris now has the opportunity to build a relationship with his son and Jude will get to know his father at such a critical developmental stage. A relationship that would not have been facilitated without you.

Jennifer, you embody all the best qualities anyone finding themselves in this situation could want from their lawyer. I will continue to recommend you to anyone finds themselves in a similar situation.

Sincerely,
