Dear Dr. Dana:

It has been my pleasure to be a patient of yours off and on for over a year. I can always count on your prompt attention to appointment times, as well your very professional demeanor with patients. You are easy to get along with and a joy to see early in the morning. Not many chiropractors start their day at 6 AM, and stay until 6 PM.

Your skill has helped me overcome many different small problems and make my overall health great.

I am pleased to suggest that friends go to see you, and hope that they too will become clients.

Besides being a patient of yours, we have become friends. I cherish that friendship and hope it will continue for many years into the future.

Sincerely,
