Dear Carrie,

Thank you so much for providing great counsel for Mr. Bill Murphy. He wrote the following endorsement:

Thank you for the introduction to Carrie Richards.

She was sharp, informative, and we talked a lot about nutrition and alternative remedies for ailments.

I am to call her again next week, and finalize Medicare enrollment in June.

It was great. Thanks. Bill

With the growing number of Medicare eligible individuals in Atlanta, I'll definitely be recommending you as a trusted resource to my clients.

Thank you again for your wisdom and solutions.

Sincerely,

Jeffrey S. Bird
