Dear Dr. Evans:

This year marks the beginning of the thirteenth year of doing business with you. I want to take this opportunity to express my deep appreciation for the care you have provided to my injured clients over the years. They tell me how comfortable they are with your approach to healthcare and how satisfied they are with your treatment.

It is obvious that you are compassionate about what you do and that you genuinely enjoy helping people. You are extremely knowledgeable about chiropractic relief therapies and corrective therapies, as evidenced by your thorough and accurate documentation. This sets you apart from other chiropractors. Thanks for your service, and I look forward to continuing working with you in the coming years.

Sincerely,

Paul Shimek III
