Hi Jon,

I just wanted to say "Thank You" for assisting one of my clients in your inspection and showing her how to maximize efficient Energy. I absolutely believe that her utilities will be reduced significantly as a result of your efforts. Your professionalism and experience certainly makes you shine above the other competitors in your field.

I would also like to thank you for your presentation to my Agents. With the going Green program that is enveloping within the Real Estate industry, I need to keep my Agents updated with the latest and greatest information. Your personal attention has made all of the difference.

And lastly, thank you for the referral for M/M Cooper. We were able to assist them in the listing of their property and it was placed under contract in less than two weeks. They certainly think very highly of you, and I do as well. Thank you again.

It is certainly a pleasure working with somebody of your caliber that provides a "first class" service. Thanks again and rest assured that I will be recommending your service to others.

Sincerely,

Patrick K. Comeaux
