Dr. Elbonie Hornbuckle-Preston
Loving Care Chiropractic

Wow! You are amazing!! Thank you SO much for saving my vacation!!!

On the first day of a much needed vacation, my boyfriend, helping me shop, turned to pick something up and had a sudden sharp pain in his back. I could see on his face that this wasn't good. He made it back to the car, but he was in real pain.

I sent you an email, you responded in no time at all, saw him the same day and gave him almost instant relief. He is singing your praises. I know that your miracles can't always be so instant, and he was preparing himself for that as we made our way to your office. But he is now a devout follower of Dr. E. Which also means I am singing your praises because we have enjoyed the rest of our vacation.

YOU ARE AWESOME!!

With much gratitude,

A handwritten signature in black ink that reads "DA Crawford". The letters are cursive and somewhat stylized, with the "D" and "A" being particularly prominent.
