Keith A. Early CPA, P.C.

Dear Keith,

Over the past 17 years I've been in business I've been through 6 different CPAs that have handled both my business and personal taxes. They've exhibited varying degrees of competency and customer service but often seemed to cause more problems than they solved. Since I've turned over my accounting to you I have never been less than completely and absolutely satisfied with your services.

You've been, at all times, thoroughly professional, exhibiting a wealth of experience and knowledge. I've been able to rest easy knowing you are completely up to date on tax-law changes. In addition you've done your tasks with efficiency, in a timely manner and with a smile on your face.

You've successfully resolved problems with the IRS that I thought I would have to just accept and you've finally got me inputting financial information on a regular basis by moving my accounting to the Xero platform as well as teaching me a few accounting principles I'd avoided learning over the years!

My wife Maureen and I are delighted with you as our accountant and cannot imagine using anyone else. You're the best!

Thanks,

Rob Burgner and Maureen O'Rear
