Dear Nick:

Thank you so much!

I appreciate Escex Storm Restorations coming out and taking care of my roof. I noticed some water in an upstairs utility closet. Sure enough, one of the plumbing vent boots was no longer doing its job and water had leaked into the room. Luckily for me, it is an unfished space in my home so no damage done!

Your guys came out the next day, assessed the situation, replaced the boot, sealed it, and then looked over the rest of the roof and did some touching up.

In a stroke of bad timing, it rained pretty hard later that afternoon before the sealant dried around the new boot. They came back out promptly and resealed the boot... no more leaks!

Nick, thank you for taking care of my roof. I've referred you to plenty of clients over the years, and I will continue to do so!

Sincerely,
