**Dear Amy,**

I wanted to take the opportunity to express my appreciation and gratitude to you directly and the entire family at Renasant. Shortly after I joined PowerCore, I realized that I needed to better organize my business but had very little knowledge about what kind of accounts I might need. You and your team truly gave me a VIP experience. While I came in unprepared, you were flexible in obtaining the necessary documents, helped me stay organized and assisted me in opening my accounts both quickly and easily. You made it so easy to get through this process, and were enjoyable to spend time with to boot! I can't thank you enough for all of your help and look forward to many more years of business together.

Sincerely,

*Nicole Rubin*
