To whom it may concern:

My wife and I were in the process of looking for a new home and went to Patty Williamson at Silverton Mortgage for help in getting qualified for a loan. Patty made the process very easy and walked us through getting all of the paperwork together and quickly sent us an approval letter for the amount we needed.

Once we found the perfect home, we realized we needed to increase our loan amount by over \$100,000. Patty took care of it in minutes, and we had the approval letter we needed to make an offer that day and by the end of the week we were under contract. Patty stayed in touch every week and by the time closing came around we were in great shape.

Closing went very smoothly and thanks to Patty and Silverton, we had our new dream home. I would highly recommend Patty to anyone that is looking for a mortgage or a refinance for their home. She was professional and dedicated to making sure we had everything we needed to make this all happen. Thank you again for all of your help in getting this done.

Sincerely,

Robert A. Jackson, CLU
