Eric Gafner
Here to Help Handyman Service

Dear Eric:

As a busy professional I don't have time to do any maintenance around my house, nor do I have the will, knowledge, skill, or tools to do so. That's why I am so glad to know you. Recently you replaced a broken garbage disposal, repaired a door, and installed other miscellaneous items around the house. You arrived early, worked quickly and efficiently, and did an exceptional job at a fair price. You even followed up to ensure that I was 100% satisfied with the work.

Having a background as an electrician, home inspector, and safety professional, you are uniquely qualified for this type of work, and I am proud to have you on our team. Thanks again for a job well done.

Sincerely,

Paul Shimek III,
Personal Injury Attorney
