Hey Wendy,

It's awesome being connected with you on LinkedIn. I hope you are well and ready for the holidays and year-end. Time flies, doesn't it?

Over the last few months, my work has evolved to include a greater focus on purpose -- for individuals and organizations.

I'd love it if you would add your name to my email list (I wouldn't do it without your permission, although many do) so we can keep in touch about Living Your WHY (what I call the purpose work).

It's quick and easy. HERE'S THE LINK - <http://bit.ly/2f2XlpN>.

Thanks and Happy Holidays,

Kevin
