

To Anyone Who Owns A Home or Property:

“The reward for work well done is the opportunity to do more.”

I like to keep my property looking good and high on curb appeal. Georgia weather and conditions can be really tough on sidewalks and fences. I had, in the past, used my big-box store bought power washer to keep up with these things.

I had received a letter from my HOA about the state and condition of my driveway. Instead of giving up a day of my weekend to do a mediocre job, I received a referral to Eric Strawhand of Marietta Power Clean. I was so impressed with the results, I posted them on social media. The elimination of mold and mildew was very apparent.

I am now my neighborhood's HOA President and have found even more value with working with this great vendor. All home and commercial business owners want virtually the same thing when it comes to cleaning and restoring our properties. We want a great job priced to match that same value.

As well as being seen in several of my neighbors now-beautiful driveways, Eric even won the bid to restore our Clubhouse pool deck, sidewalk, and outdoor furniture. He is making me look good.

I recommend Eric Strawhand of Marietta Power Clean do the job right at the right price. Please feel free to reach out to me directly if I can ever offer any assistance in generating a valuable referral connection.

Enjoy your extra weekend day this summer,

Jim Hilber
