Jamecia Bowers  
Beauty by Bowers Day Spa

Dear Jamecia:

The day a girl wants to look her prettiest ever, is on her Wedding Day. Pictures memorialize the event forever. When my now sister-in-law asked me to be in her wedding, I knew that makeup was not something I wanted to tackle that day and thought it would be a nice gift for the bride and all of the girls in the wedding party to look their true best as well.

It worked. We got the pictures from the wedding back yesterday and the results of your talents were evident throughout. The majority of wedding pictures include the bride and she as well as the entire family love the art and skill with which you brought her best face forward. She had and showed confidence in all of the pictures that she really looked her best.

I want to thank you for coming to my home to do all of the makeup and for the speed and care you gave everyone in the wedding party. I would overwhelmingly recommend you to anyone who has an occasion and wants to have the confidence that they are going to look amazing.

Sincerely,

Crawford, Merritt & Company
