The Hive Solution
ATT: Carrie Jones, Beekeeper/President

Thank you Carrie!

I collected phone numbers of prospects and clients; just in case I wanted to call but I knew I wouldn't. I could always come up with an excuse and something better to do with my time than making calls. So when I heard that one of the services that Hive Solutions offers is making phone calls, I started pulling the campaign together.

I was very pleased with the professional delivery of these calls, the information that was gathered and the seamless way I could see details about the calls. You and your team have called former clients of mine along with prospects that have shown interest in Next Age Fitness. In both cases the Busy Bee gave me insight on the conversation so that I can better prioritize my list. The feedback has been great too. I feel that you left each person with a very good feeling about my business.

Thanks again for all you've done to help Next Age Fitness.

Stay Strong,
Tammy
