Re: Endorsement Letter

When you run a small business, you have to wear a lot of hats, thanks to Lynn and everyone at Killingsworth Spencer I do not have to attempt to wear a CPA or Accountant hat!

The team I work with at Killingsworth Spencer always explains everything very clearly and works with me to make sure my book keeping is accurate, to minimize the fuss when filing tax returns. Always on hand to answer any questions I have about Quickbooks, Payroll, IRS forms, etc.

Working with Killingsworth Spencer I have the flexibility to do the work I feel comfortable with and the confidence in them to handover the accounting work I don't feel comfortable taking on myself.

If you are starting a business or looking to grow an existing one you need Killingsworth Spencer in your corner. I highly recommend a conversation with Lynn, you will quickly realize what a valuable asset her team is to your business.

Kind regards
