Lynn,

About two years ago I stepped in to help with the finances of Fallen Sparrow that partners with organizations in Cambodia. When we first took over, we realized that we needed a new CPA. Our previous CPA was charging us at a rate that was way too high for the simple nature of our non-profit. I came to you asking if you'd be able to help us out and you've done great work for a fair price. Your team has also caught some bookkeeping mistakes from the past that have been corrected.

The organization has since moved all bookkeeping and CPA needs in house at Killingsworth Spencer because we know that we'll get the attention and detail that we need.

Thanks for helping our small non-profit feel valued and for taking bookkeeping and tax filing off of our minds so the organization can focus on what it does best!

Appreciate all of your help!
