Dear Phil:

I want to thank you for all the work you have done for me over the years at my house, most recently painting the exterior trim. What a difference! It's like having a beautiful, new house again. Your crew did an outstanding job and completed the work on schedule. The price was very fair, too. It's comforting to personally know a building contractor like you, who is honest, humble, experienced, and trustworthy. Thanks again, and I look forward to working with you in the future and referring my friends and clients you to.

Sincerely,

Paul Shimek III,
