Curtis,

I want to take this opportunity to thank you for the professional insurance advice you gave my client. As a transplant from New York, she doesn't have a network of people to rely on, and had been putting off getting her affairs in order because she didn't know who she could trust.

After she spoke to you, she told me that you confirmed that she did not need your services because of policies already in place, but she was so impressed with your courteous nature and professionalism that she will be recommending her daughter and neighbors to you for their insurance needs.

Thank you for your professionalism and understanding in your discussions with my client. I will not hesitate to recommend you to my future clients, as I know they will be well taken care of.

Sincerely,

J. Oren Ross II, Managing Attorney
