Dear David,

Thanks for the excellent legal work you did replacing our auto, home and business insurance. The time and meticulous expertise you put into finding the best and most affordable insurance plans shows that you truly care.

A Computer Partner can now safely offer services to needy computer users, young and old alike, knowing that the business is covered for any liability. It's also good to be saving over \$1000 each year from our previous personal and business insurance plans.

Thank you also for the professional treatment you offered to us as a Power Core member. Also thanks for making me your partner and winning the year end matchplay golf championship last month.

Sincerely,

A handwritten signature in blue ink that reads "Larry A. Black".
