Doug,

I want to thank you for the help you provided to my friend Stephanie with the PPP Loan. She sent me a card to say thank you for the introduction and when I talked with her later, she shared how much she enjoyed talking with you and how quickly you were able to help her.

It's important to be able to refer friends to people we can trust, and it's easy to send friends to you because I know you will take good care of them and that they'll appreciate the experience of getting to meet you!

I also told Stephanie that you'd be a good fit for any of her investor clients as well.

Thank you again for taking care of my friend. I hope to have the opportunity to send more people your way... referring to you makes me look good!

Thanks again!
