**RE: Letter of Endorsement**

I'd like to personally thank Ms. Linda Loud for the time she took to meet with me at my office to conduct a Makeup Color Consultation. As a busy executive, it is hard to make it out to the mall to try on new makeup see what works and what does not work on a regular basis. It's great to have my own personal Mary Kay Consultant that will present a plethora of options and a rainbow of colors to choose from; and will teach me how to apply it properly.

Linda took the time to listen to my needs for my skin type, and she suggested different products that would keep my skin soft, clear and hydrated. I really appreciate her time and attention to match me to the correct products at a price-point that is much lower than the big box department stores. I'll be happy to refer business to Linda for gift giving, makeup products and skin care for both men and women. She is a beautiful lady, both inside and out!

To the top,
