Linda Loud
My Dedicated Mary Kay Lady

Ms. Loud,

Thank you so much for my Hydrogel Patches! I'm happy to report that they are working their magic!

I also would like to take a moment to express how lovely you packaged my product. While you knew it wasn't a gift, you took the time, energy, and effort to dress up my order. It is always nice to have a special package to lift my spirits.

Just to show off your skills, here is a picture:
