Ms. Linda Loud  
Mary Kay Cosmetics

Dear Linda,

Thank you for your kindness and concern for my mother's condition after her fall. Not only did I appreciate you, but she was thrilled that you took the time to find the right combination of products to aid her healing while covering up the bruises while she recovered from her most recent fall.

Your efforts were above and beyond our normal expectations. My sisters and brother asked me to thank you for them as well.

You are a special addition to our Power Core group, and I'm glad you are there.

Sincerely,

A handwritten signature in blue ink that reads "Larry A. Black". The signature is written in a cursive style and is placed on a light-colored, possibly yellowed, piece of paper.

PS. I too am enjoying the Mary Kay facial lotion for men each time I go out into the sun.
