Oren,

I want to thank you for taking the time to talk with my friend Stephanie about her questions regarding trusts. She sent me a card to say thank you for the introduction and when I talked with her later, she told me that she really appreciated all the information you shared about setting up trusts.

While I know the timing wasn't right for them at this moment, the professionalism you showed made an impact on Stephanie, and made me look good for being able to refer you. I hope you are able to work with Stephanie and her husband in the future.

Thank you again for taking your time to help my friend.
