Dear Oren,

Ken and I want to thank you for your professional expertise in helping us establish our Revocable Living Trust. The guidance, resources and advice you provided were most helpful throughout the process. Your video presentation at your orenrosslaw.com website clearly outlined the benefits and procedures, and the Welcome Guide you emailed was beneficial in helping us gather the appropriate information required.

During our signing meeting everything was exceedingly well-organized and you briefly explained the contents of each of the documents we were signing. Within a few days you delivered our Estate Planning Portfolio. It's in a 3-inch binder that contains our Trust Documents, Wills, Powers of Attorneys, Insurance information and instructions for Settlers and Trustees.

We truly appreciate your efforts in making the process so easy, but we are most grateful for the peace of mind in knowing that our affairs are in order. When the time comes, our children will not be burdened with the time, expense and frustration of going through the probate process. They don't realize it yet, but they will be most grateful for your services as well. I have no hesitation in recommending you to anyone in need of estate planning services.

With much respect and appreciation,

Linda M. Loud
