Attn: PowerCore

Over the past many years, we have used Robert Slocum to work on various projects including Homeowner Association fence issues and our home with shutter replacement, toilet problems, replacing the disposal, and even a brand-new deck.

A few weeks ago, he replaced two of our toilets before relatives came for a wedding.

He has always done a professional job at reasonable prices.

We are happy to have a trusted handyman like Robert Slocum.

Thank you!

Curtis L. Turner III, CLU®, ChFC®
