Robert,

I want to thank you for the great work you did for my client, Sandy Weaver. I know it wasn't a big job for you, but it was an important improvement to her new home that will make a difference for years to come!

Your professionalism and willingness to solve her problem are so appreciated. I know it was an unusual request – finding a way to vent her portable air conditioner in her sunroom, but you handled it like the professional you are. Your solution was ingenious! I loved the way it looks when I visited her home soon after your work was complete.

Thank you for serving Sandy so well, and thank you for making me look good by referring you!

I look forward to using you as a resource for my clients in the future!
