Dear Lonnie:

My wife and I can't thank you enough for the exceptional job in assisting us with the purchase of our new home. As always, you were professional, courteous, friendly, and knowledgeable. You always responded to any questions we had in a timely manner and often times, provided answers before we even asked the questions! We truly felt you were in our corner as you guided us through the entire process.

We are truly enjoying our new home and know that it wouldn't have been possible without your assistance. If we know of anyone in need of real estate, there is no better person for the job and we will refer them to you with pleasure.

Sincerely,

Reggie
