Patty Voelz

Ameris Bank – Sandy Springs Branch

My wife, Tamara, and I have banked with Patty for close to a decade, and we have never doubted we were in the best possible banking hands. It is very rare for a professional to embody BOTH the knowledge, and the compassion that Patty does for her clients. It is a great relief for Tamara and me to know, no matter what the challenge, a skilled and empathetic voice is just a phone call away.

Patty's reach extends from assisting our teenage daughter in setting up her first checking account, to my parents setting up their last. No matter where a client is on their financial journey, Patty is eager to help them get the most out of their banking experience. She works tirelessly to ensure banking with Ameris is simple, cost-effective, and secure.

Ameris has all the technology and product lines that the big banks have, but none of the fees or the hassles. But, best of all, Ameris has Patty. I simply cannot speak more highly of Patty's expertise, and her character. She's truly the best in the business!

Your clients for life,

Ryan and Tamara Tingle
