Dear David,

I can't thank you enough for your concern and advice when I called you right after my collision last month.

I'd never been in a serious collision before, and I was truly shaken and bruised, but otherwise ok. Your wise counsel (given only after making sure that I was ok!) provided me with both comfort and strategy as I began dealing with the aftermath. Thank you for alerting me to the "medical payments" portion of my car insurance and encouraging me to demand "to be made whole", particularly as I was blameless in the accident (which included totaling my car).

The ordeal is 100% over, and I have been made whole. Thank you – I am most grateful.

Sincerely,

2221 Peachtree Rd NE, Suite X2
