Andreas,

This note is to say thank you for being the reliable, conscientious referral partner I envisioned when we started to work together on a few select clients. You have been the true “trusted advisor” everyone wants to know. My clients who are working with you currently have great things to say about you, and it’s easy to understand why. I greatly appreciate your professionalism.

Thank you so much for all you’ve done to care for our mutual clients. It is truly appreciated!

Respectfully,

Len Nelms
