### Drew Niess- AllState

*Drew is an all around superstar professional! He is honest, humble and hardworking, and he will get you optimal coverage when you need it. I believe it is primarily because of these reasons that his firm has been rated top Agency for multiple years.*

*I got a quote from Drew for my condo coverage and, to my surprise, he offered a lot better plan than Geico, but at a much lesser rate! He gave amazing customer service and superior follow up, and explained to me which option was best for what I needed. I feel wholeheartedly confident to refer Drew to anyone who needs insurance! He's tenured and a true expert who wants what is best for his clients.*
