Dear Carol,

I want to take this opportunity to thank you for being my JuicePlus representative. I have been using Juice Plus Fruit & Vegetable capsules for almost three years. I consider myself a pretty healthy eater, but don't always eat as many fruits and vegetables as I'd like to. JuicePlus has been a great supplement for my personal use, as well as, the health study component that has allowed my son to receive them for free since he is a full-time college student.

JuicePlus is a win-win for anyone who leads a busy life and wants to be sure that their body receives the needed amount of nutrients and whole-food. I know my body is happier for it every day.

Thank you again for your passion and enthusiasm to help people live healthier lives. I love the educational fun programs you provide to your clients each month. Your approach gives people an opportunity to take care of themselves as well as their families health. It is my pleasure and honor to recommend you at every opportunity

Best Regards,
