Dear Dr. Casey,

I want to take this opportunity to thank you for the great chiropractic & applied kinesiology services you have provided. I had never been to a chiropractor before and didn't really know what to expect. Arthritis and Back issues really affected my Mom's quality of life, so I was a little apprehensive.

You have done incredible work in giving me relief from my lower back and sciatica pain. The homeopathic drops have worked well and eliminated the need to take other pain medication. On my last appointment you did an allergy clearing that has produced incredible results. I haven't experienced any of the allergy issues I had last spring. I am so grateful for your care and appreciate your kind spirit.

I love the laidback atmosphere at the office, your professional and friendly guidance in explaining what you are aligning and adjusting. I am giving you the "Crane Chiropractic ROCKS" five-star rating. I feel privileged to recommend your services to my family, friends and colleagues at every opportunity.

Best Regards,
