Endorsement for Shawn Livingston of Total Home Repair

We've had Shawn Livingston of Total Home Repair help us out twice at our house; once to repair loose tile and the other time to install lighting.

Both times, his help was a relief; it made me nervous stepping on tiles that bounced and the lack of lighting was a safety issue and an irritation.

Not only is Shawn's range of skills impressive, but I also appreciate Shawn's genial personality and can-do attitude.

What stood out to me the most about Shawn's customer service was how he went out of his way to fit us into his busy schedule as quickly as he could. He understands how issues with our homes affect us and works quickly to help resolve them.

Shawn Livingston is the best handy man I know. If he's on the job he'll save you valuable time and the job will be done right.
