Dear Di:

Thank you so much for your recent help in finding my husband and I new car and homeowners insurance as well as an umbrella policy for my home-based business.

You made the process very easy and saved us money, which couldn't make my husband any happier! We appreciated the time you took to help us while we analyzed all the options. You made sure we had everything we needed, and then some.

Your training and experience came shining through, as well as your excellent customer service. We were very impressed; you made us feel like family.

Di, you exceeded our expectations. It will be my pleasure to refer you to family and friends. I know their experience will mirror mine, and they will be very pleased with the results.

Best regards,

Leah Kruszka
