Robert,

I want to thank you for making me look good!

When my neighbor and friend asked me if I knew anyone who could finish her basement, I asked her if she needed it done inexpensively or if she wanted it done well.

She said she wanted the latter... and you made that happen!

Kathy has been extremely pleased with the results and was thrilled to show off the new living area to me. The way you transformed her unfinished basement was amazing!

Given changes going on in her family, it was extremely important that the basement be converted into a comfortable living area. Because of the excellent work you did, her house can accommodate her needs and the needs of her family.

Thank you for making me look good in recommending you. Kathy and her family really appreciate the work you did, and I knew that they'd be in good hands with you.

Sincerely,
