Dear Raina,

I wanted to take the opportunity to express my appreciation and gratitude to you directly and the immense amount of care and compassion you have shown my clients. Often times, when I begin working with a family, their affairs aren't anywhere near in order, and it can be both intimidating and expensive to help them set up their affairs in a timely manner. I have been so incredibly thankful to have someone I can count on and that my clients can trust to set up their documents so quickly. It has also been immensely helpful that you are so flexible with your schedule, and that you can come to my clients homes. Your services are fairly priced, and you have always been patient and compassionate in helping people in these difficult decisions. I can't thank you enough for all of your help and look forward to many more years of work together.

Sincerely,

Nicole Rubin
