

To Whom It May Concern,

Louis has assisted my family with our health insurance needs for several years and has been helpful in more ways than I can count. From the application/underwriting process, to coverage and claims issues, to renewals, rate changes and benefit modifications, he's always there. When he doesn't know the answer to a question, Louis won't quit until he finds someone who knows the answer. To top it off, he's smart, personable and always a pleasure to work with.

Sincerely

Ken Mittledorf
