Dear Cathy:

I wanted to take this opportunity to thank you for everything that you have done for my law firm and me. I do not know what I would have done without you. You are always so quick to answer to my questions, even if I have asked the same question more than once! Your willingness to work nights and weekends on my file was impressive, and I would definitely not have been as organized without you. I was also truly impressed by your knowledge of bookkeeping and QuickBooks as well as your willingness to work with my accountant to ensure that everything was being entered properly for tax purposes.

Thank you again for everything you have done for me, and I wish you the best of luck in the future.

Sincerely,

Rachel Platt
Attorney at Law
