

Dear Renea,

I just had to tell you how pleased I am about the way my new headshots came out. It has been a very long time since I had photos taken, and I was not looking forward to it, and you made it easy. Your website is very user friendly so signing up was a breeze, not to mention the reminder notices and useful tips too.

I appreciated you taking all my calls and giving me advice on what to wear and what to bring on the day of the shoot.

You are a true professional as well as an artist and your passion for photography really shows.

I look forward to using my new photos in all my advertising and on my website too.

I will gladly pass your name to all the agents in my office who are looking for updated photos.

I am so appreciative,

Susan Fraley
